Our work orders to dispose of the Frac 1004 waste, 12 vacuum boxes of north tank waste, and 2 roll off boxes of haz debris totaled \$395,000.00. We have completed about 60% of the work (counting transport and disposal of all the vac boxes that have been shipped off-site) so we have spent approx. \$237,000.00 so far.

Terry

Can you tell me where you guys are at on your estimated disposal costs? We are at about 1.45 million
